Save a Seat

WLT needs your help. As part of our continued Restoration, the House seats are up for adoption. Your name will be included on the Wall of Honor in our new Lobby, you will be invited to the Special Angels "I Saved a Seat" Gala, and a Brass Plaque engraved to your specifications will be prominently displayed.

The seats came out of a Winchester cinema, then used at the Bark Mill when WLT was the Bark Mill Players. They were recovered by volunteers circa 1975 and installed in the Freight Station. Now they desperately need a complete professional makeover to enhance your comfort and safety. Only **You** can make this dream come true by adopting a seat!

Please complete the information below, mail this form to WLT at 315 W. Boscawen, or drop it off at the Box Office along with your check or payment information. **Thank You** for Saving a Seat at Winchester Little Theatre!
